

Route 51

- Proposed Recommendations:**
 - Straighten out the loop to create a route that runs “bidirectionally”—the same streets in both directions. Connect downtown, West Campus, Central Campus, Collegetown, Maple Ave/ Maplewood, and East Hill Plaza. Extend to serve Snyderhill Road, Honness Lane, and Commonland.
 - Operate Rt. 51 seven days per week. This increases service to Eastern Heights, which is currently served by the Rt. 50 on weekdays only.

Changes as a Result of Public Input:
 Public input emphasized the importance of regular transit service to Commonland and the need for a connection between Maplewood and downtown (as well as Cornell’s campus). The Tower Road segment of this route was removed and the route will start 30 minutes later in the morning than under the previous proposal (beginning at 7:30 a.m.) in order to route the bus past Maplewood and to extend the route to Commonland.
