

# Route 54

- **Proposed Recommendations:**
  - Change the alignment of the Rt. 54 to operate to East Hill Plaza in one direction of the new loop. Maintain service to Turkey Hill Road for commuting and shopping. Add additional service between Varna and Cornell beyond the Rt. 43.
  - Operate five trips per day: two in the morning peak, one mid-day, and two in the evening peak.
- **Changes as a Result of Public Input:**
  - The original draft recommendations suggested eliminating the Rt. 54 entirely, due to low ridership and low population density along significant portions of the route. As a result of public input, service for commuting and shopping has been added to these recommendations.
