

# Tired Of Being Your Kids' Taxi? Have Them Ride The TCAT Bus!

TCAT offers a Youth Bus Pass that allows students from age 6 to 17 years to ride any bus, on any route at any time all for a low \$30 per semester (five months). TCAT buses provide your child with a clean and safe environment.

Whether they need to go to town, the library, doctor's appointments, the mall, even school, a TCAT bus can get them there.
