DAR Zone: pick-up and drop-off by reservation only

Please Call
(607) 277-RIDE (7433)
and follow the prompts to schedule a trip.
TTY: 277-9766

* Please note INBOUND times are anticipated drop off times. Arrival may be earlier and bus may leave stop before the scheduled time.

Demand and Response (DAR) Service FAQ

What is Demand and Response (DAR) service?
Demand-responsive transit responds to the needs of riders not served by a fixed-route bus line by giving them more individualized, on-demand, curbside service. Because of this flexibility, DAR service is capable of covering larger areas of lower density development than a fixed-route bus.

How exactly does this service work? **Inbound**, the mini-bus will pick you up at a scheduled time and location (a reservation is necessary for all inbound trips). The bus may drive around to pick up other passengers in the DAR zone, and then it will get back "on route" to your destination. Inbound you will arrive on Cornell's campus on or before the scheduled time so that you will be able to make connections to other routes. **Outbound**, board a Rt. 41 bus on Cornell's campus or along Hanshaw Road (see schedule), and tell the driver where you would like to disembark. A reservation is not needed for outbound trips unless you are starting and ending your trip within the DAR zone.

How do I use this service? If you wish to board within the DAR zone, you will need to call and make a reservation. You will need to call TCAT Monday - Friday from 8am-4:30pm at 277-RIDE (7433) to schedule a pick-up. Reservations must be made the business day before your trip in order to be guaranteed. Your pick-up and drop-off times must be within the time windows of the regularly scheduled Rt. 41 trips (see schedule). If you are headed outbound and you will be boarding along the fixed route portion (Cornell, Pleasant Grove Rd., & Hanshaw Rd.), you do not need to make a reservation. Simply be at a bus stop along the fixed route portion of the route at the appropriate time.

What if I need a ride at the last minute? We will accept same day reservations when scheduling allows. We will do the best we can to accommodate you at short notice, but we can not guarantee you a ride unless you have made a reservation on the business day before.

What time will I be picked up? The dispatcher will schedule a pick-up time and location with you when you call. If you are not at your pick-up location at your designated time, the driver may not wait and you may miss your ride.

Will I be picked up at my door? No. DAR provides curbside service. We cannot drive onto private property, such as driveways or into mobile home parks. If you live in a mobile home park your pickup will be along the main road. We will arrange an exact pick-up location when you make your reservation.

I am a regular rider, do I really need to call every day? No. You can set up a subscription so you won't have to call for your ride every day. To set up a subscription, call TCAT Monday - Friday from 8am-4:30pm at (607) 277-RIDE (7433). Subscriptions need to be received one week in advance. If you do not need the service for any length of time you must call at least one day in advance to cancel your ride for that day or days.
